

BUSINESS CARD NOTE PADS

The giveaway that won't be thrown away!

It's simple. To get business, your name has to be in front of people on a regular basis. Every time people write a note on your Business Card Note Pad they'll see your name.

HOW IT WORKS:

Using your existing business card for the front of the note pad, we spiral bind your card to a 40-sheet pad with a calendar-at-a-glance on the back side. The note pad fits conveniently in purse, pocket, sun visor, or briefcase. It's a great place to jot down a phone number or a quick idea. Even in these days of electronic organizers, believe it or not, a piece of paper still comes in handy!

Great as a "giveaway" or as your business card itself!
